Mr Sanjaya Mohottala
Chairman
Board of Investment of Sri Lanka
World Trade Centre
Level 26, West Tower
Echelon Square
Colombo-1.

Dear Mr Sanjaya,

Greetings!

Chairman and the Executive Committee together with the members of Free Trade Zone Manufacturers Association wish to congratulate you and send greetings on your well-deserved ascension to the post of Chairman of the Board of Investment of Sri Lanka.

We have experienced your capacity, competence and dedication during your tenure as the Director-General of BOI as you demonstrated your calibre in handling this higher position. You have immensely helped us from day one in supporting and promoting foreign direct investments (FDI) and making the investment climate more conducive in your facilitation role for the smooth operations of our enterprises and also acted to strengthen well-disciplined and effective work practices at all BOI divisions for the wellbeing of the investors & employees of the enterprises alike.

We have no doubt that you as the new Chairman would steer the Board of Investment (BOI) towards achieving its solemn objectives of promoting, attracting and facilitating foreign investment aiming at strengthening the economy of this country. Moreover, we are quite confident that you would develop BOI as a one-stop-shop in meeting our expectations thereby making it more focused and useful to the potential investors which is the right way forward.

We are delighted to continue working with you as the Chairman in a spirit of goodwill and trust. We would further be pleased if you would grant us an appointment to meet, greet and felicitate you in person at an early date and time convenient for you.

Wish well and success in all endeavours!

Yours Sincerely

Free Trade Manufacturers' Association
